

By Sean Tan (Estee, P1 Violet)

Easter is the greatest feast in the Catholic calendar! This year, we celebrated Christ's resurrection with a beautiful message for our girls:

Jesus is with us always!

Easter was preceded with the Lenten observance theme of *Be Kind*. The Pastoral arm of the CPC erected a notice board where the girls were encouraged to write on coloured pieces of paper, *kind*

*deeds* that either they had blessed their friends with or vice versa. We were pleasantly surprised by the contributions received and they were shown as a photo montage at the Easter Monday Celebration.

## Parent Volunteers & Teachers Acting!

This year, parents, together with three teachers, presented the **Easter Play 2017**. Despite our busy schedules, both the parent volunteers and teachers succeeded in putting up an entertaining play for our girls.

The skit revolved around three girls and their problems, and how knowing Jesus helps them with their new life.

Our girls had such a wonderful time learning that Jesus is with us always and for us parents, we were simply relieved to see them enjoying the show!

## Finale Song - Every Move I Make

The girls had lots of fun and laughed away while watching the skit. The performance ended with a specially selected song - **Every Move I Make**, from Hillsong Kids. Inspired by the lyrics "Everywhere I look, I see YOUR face", we brought the Easter Play into the hearts of everyone as they responded with song and

dance. It was at that moment that we felt that it was well worth the effort!

It was truly an enriching experience to be able to participate in the Easter Play and knowing that it was done in the name of **Love**, made the whole experience even more special for us!

**HALLELUJAH! GOD BLESS YOU!**
