

PASTORAL NOTICE BOARD

By Veronica Silvester, mummy of Sara P3 Daisy

Our Pastoral Notice Board is being done up by some of our CPC members with the help of a couple of PVs to help enhance our Catholic Girls faith and also to evangelise to others.

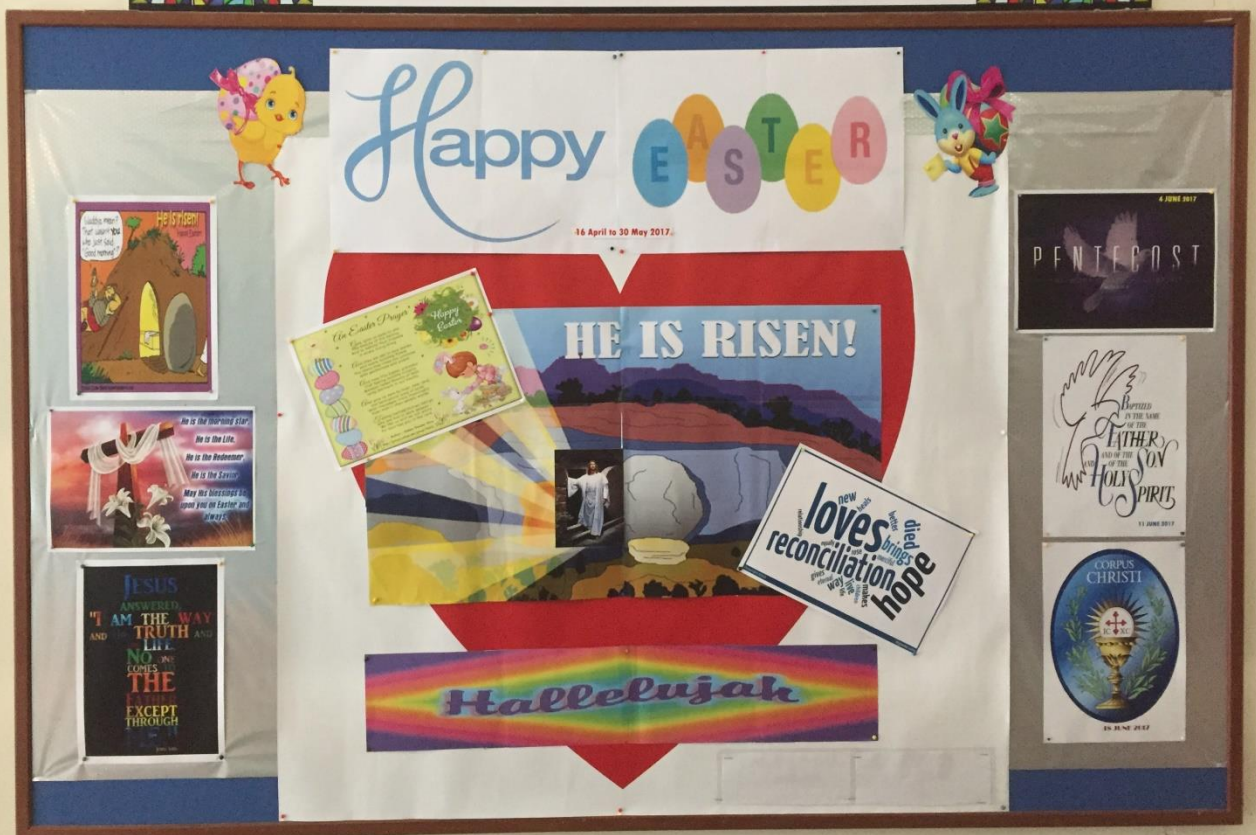

There is a theme for each season. For example, during the beginning of this year, we did up a Welcome poster informing all new parents of the various House Teams in our school and some prayers for the girls and teachers.

Then came Lent, Holy Week, in which we got the girls to think of doing kind deeds towards others and to appreciate vice versa. They were to write down these deeds and put them into the boxes where our CPC members would paste them up on a board for everyone to read and also during the Easter Play. These notes would then be taken down on Maundy Thursday and offered up during service.

PASTORAL NOTICE BOARD

Come Easter Monday, there was a play being scripted and choreographed by our CPC members. Along with some very dedicated and talented Parent Volunteers and teachers, they put up a skit based on the theme of Kindness. Posters on Easter were be put up on the Pastoral Notice Board so that the girls were able to understand what Easter was all about along with Pentecost, Holy Trinity Sunday and Corpus Christi.
