

# **CHIJ Primary (Toa Payoh)**

## **Safety Messages for Parents & Pupils**

All visitors are to report  
to the guard house at  
the primary school  
and obtain a Visitor's  
Pass before  
proceeding to the  
General Office.

# **SCIENCE LABORATORY SAFETY RULES**

- 1. Perform laboratory work only when your teacher is present. Entry or unsupervised work in the laboratory should be avoided. Seek clarifications from the teacher if instructions for an experiment are not thoroughly understood.**
- 2. Matches / Bunsen burners cause injury and should not be played with.**
- 3. Sharp objects should be avoided.**
- 4. Chemicals, solutions or other materials found in the laboratory could be poisonous and should not be tasted.**
- 5. Wash your hands thoroughly after you have handled the apparatus and chemicals.**
- 6. If any chemical gets into your eyes, splash your eyes with clean water immediately.**
- 7. Damaged equipment, breakage, accidents and spillage should be immediately reported to the teacher and lab assistant. Do not pick up broken glass.**

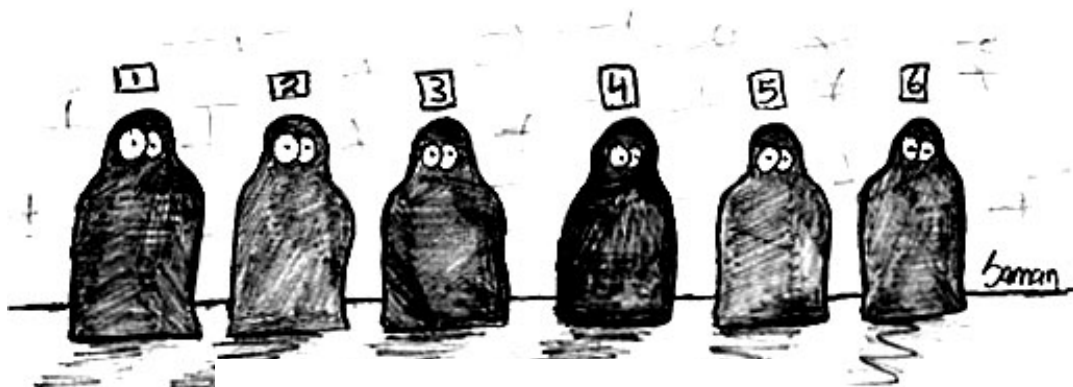

9. Pupils should always work responsibly, thoughtfully and purposefully at all times. Practical jokes and other acts of carelessness are strictly prohibited.
10. Work areas should be kept clean and tidy at the conclusion of each laboratory activity as part of good housekeeping practices.
11. If in doubt, ask!

***CHIJ PRIMARY (TOA PAYOH) SCIENCE DEPARTMENT***
