

PSLE Survival Kit

The PSLE is always a scary time for all students. To show our support and encourage the girls, the Central Parent Council will present each P6 student with a "PSLE Survival Kit." This is an annual tradition that has been appreciated by the P6 girls year after year.

This year, the Kit will include a transparent pencil case, a bookmark (design was hand painted by a CPC member), pen, pencil, eraser and a \$1 Gong Cha voucher. These are essential items for the exams, including a Bubble Tea treat for when they take break from their long hours of studying!

The Central Parent Council wishes all P6 students fortitude and wisdom as they prepare for the exams, and success in all that they do.
Magdalene Balon (Aimelyne's mum, P6 Lily)
