

# TEACHERS' APPRECIATION

Caring for our Teachers & Staff as they Care for our Girls

Time flies and another year has come and gone. Even though the pandemic is still with us and we need to adapt as we move into the "new normal", one thing remains unchanged – our gratitude to the educators who have cared for and loved our girls and continue to do so. Our daughters are very blessed to have such nurturing teachers.

Despite the many challenges brought on by the Covid-19 pandemic, the teachers and school staff persevered and continued to give their best. This year in commemoration of Teachers' Day, the Central Parent Council, with the support of parents, presented them with Care Packs to express our appreciation.

Each Care Pack contained:  
Granola snacks – full of goodness, just like our teachers.  
Tilly Tea because our teachers are TEA-riffic.

Essential Oil Sanitizer to remind them to keep calm and carry on, no matter how trying a situation might be.

“Kiap Kiap” – a remote teaching tool so that the students can mirror their teachers’ actions as they are role models.

We give thanks to God, as well as to the parents who generously contributed to these care packs. This is indeed the true IJ Spirit.

Thank you, teachers and staff of CHIJ Primary!
