

Parents' Welcome Chat 2022

For a second consecutive year, the Parents Welcome Chat was held online in the evening of 23 February 2022. It was the first time many parents got to virtually meet the new Principal of the School - Mrs Judina Cheong - who opened the session with a prayer.

A pleasant hour was spent, where the dedicated parents who serve in the Central Parent Council (CPC) introduced themselves, and shared the various programmes held in the school from pre-Covid to post-Covid times. It was also an opportunity to share the planned calendar of events for 2022.

will make a way
e there seems to be no way
orks in ways we cannot see
ill make a way for me

will be my guide
d me closely to His side
th love and strength for each new day
will make a way, He will make a way

y a roadway in the wilderness,
He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade
But His Word will still remain
And He will do something new today

Looking back at the events of 2021, two stuck out in particular. The regular Novena and Rosary prayers over Zoom - an event I attended with my family - was uplifting as I saw many other families (and teachers too!) praying together as an IJ family. As this truly reinforces the importance of our Catholic faith, and the power of prayer when we gather as a wider community - especially during these challenging times - was indeed a blessing.

The other highlight - that amazes me till today - was Children's Day 2021 with its "Uniquely-IJ" Rubik's Cube, and IJ mask kit!

While it would have been ideal to meet other parents face to face, beneath each “Can you hear me?” Let me share my screen,” and “Sorry for the technical glitch!” are parents who desire to bless and empower our IJ girls.

I thank God for the CPC’s efforts, creativity, planning, preparation and sacrifices behind each of their programmes / events, and their commitment to work within any constraints and changes thrown at them.

May the love and light of Jesus continue to stir and move within us as we walk on boldly in 2022!
